About us

Sunrise Group of Management & Studies one of the fast-developing Institutes in the field of Medical, Paramedical, Engineering and Management, is established in the year 2021 under the aegis of Socail & Welfare society (Registered under Societies Registration Act, XXXI of 1860, Govt of INDIA) with a vision and objective to provide contemporary and quality education in the areas of skills & technical education. Sunrise Group of Management & Studies is one of the best educational institutions in Uttar Pradesh situated at Greater Noida. Sunrise Group of Management & Studies offers excellent education in the field of hybrid vocational education through state-of-the-art facilities and skilled teachers.

The hospital group has tried to spread a message of excellent healthcare through its service-oriented treatments. The hospital is a 60 bedded hospital equipped with modern healthcare services. It caters to a vast pool of patients on a regular basis with utmost care and humane touch of medical specialists. Experienced doctors and paramedical staff extend medical care and round the clock nursing to the patients. 24 Hour emergency is also available within the campus.

SCOPE OF COURSES: The institute is registered under the societies Registration Act, XXXI of 1860. NCT New Delhi, Govt Of India, with its head office at Delhi. The institute do not have any concern with any other council (Government-non-government) U.G.C. etc. All Diplomas/certificates etc. are awarded autonomously by the institute. The institute offers courses for enhancement of technical education for visionabe Self Employment.

President Message: Sunrise Group of Management & Studies, Greater Noida, Uttar Pradesh was established in 2021 with the intention of taking vocational & Skill courses to its actual potential. Our focus is to inculcate students with traditional knowledge and its utility in Modern era.

Director Message: I am sending you my greetings from the desk of Director of Sunrise Group of Management & Studies. We all know that vocational & Skill courses are very important part of our indian educational system. We hope to promote the confidence for self-employment.

The Promote Awareness Among About Masses And Various Communities About Their Heritage The Culture Religion Traditional Value Social Norms.

The Society Working Area Will be All India.

To Educate masses About Their Ancient And Traditional Practice Like Forges Astrology Yoga and

Promote all medical and none medical practice.

To provide, establish, endow, maintain, control and manage the proposed school and to perform all acts and to do all things necessary for or conducive to the promotion of the proposed school.

Mission: To establish provide maintain conduce subsidize take manage administer operate and carry on hospital laboratories clinics dispensers nursing homes prevention Centre diagnosing Centre research and development centers short stay homers night shelter rest house maternity home rehabilitation center and old age homes for disable and needy p[people as per Govt. rule. International collaboration in developing best practice in all aspects of positive and fulfillment of any objective of the society.

To apply for receiving funds for the advancement of any object of the association.

To improve manage culture exchange let on leaser or otherwise mortgage change sell deposit turn into account or grant right and privileges in respects of or otherwise deal withal of any of the association.

Apply for Admission Now !

Focused to take education a decade ahead and create talented students for a better tomorrow.

Classes:

CORE VALUES

- Leadership
Leadership is the capacity to transform vision into reality. Lead the world of technical education with the best comprehensive Education, Research, and Health care
- Excellence & Innovation
Excellence is not an accident; it is the result of high intention, sincere effort, intelligent direction, and vision to see obstacles as opportunities.
- Team Work
Teamwork is the secret that makes common people achieve uncommon results.
- Service to Humanity
Provide unprecedented Holistic health care service through education management in a responsive and healing environment.
